[Omaha, Nebraska](#)

When: [February 23– 25th 2018](#)

Registration to open: [September 1st 2017](#)

Abstract Submission opens: [September 1st 2017](#)

Abstract submission deadline: [October 14th 2017](#)

Notification of abstract acceptance: [November 1st 2017](#)

Keep an eye out for conference updates from:

ssrfconference@gmail.com

Feel free to email us with any questions!

For the future:

Would your school like to host the 2019
SSRFC Conference?

We are looking for hosts and venues!

[Please see this form for details!](#)

For learning outside the classroom:

TedTalks:

[Guy Winch: Why we all need to practice
_emotional first aid](#)

[Eric Dishman: Health care should be a
team sport](#)

[Jamie Oliver: Teach every child about food](#)

Note: This is a random selection of talks that are not necessarily correlated with the views of The SSRFC. They are simply for viewing/growth

May 2017 Newsletter

Resource Center:

National Association of Free and Charitable Clinics

The NAFCC is an organization that shares our mission for providing healthcare to the medically underserved. They are a fantastic resource for SRFCs in many ways.

Visit their page to learn about current healthcare issues and how they are making strides in caring for the underserved.

Want to share some of your work with the SRFC community?

Submit a summary of the great work your clinic has been doing along with photos or files you would like to share!

Here are some ideas:

- New projects
- Outstanding faculty/ students
- Interesting research

We love to see what you guys are up to over the course of the year!

[Submit here!](#)

RESEARCH CORNER!

Call for submissions to the SRFC Journal

We loved to see all the incredible research going on at all the SRFCs across the country, consider submitting your work to the SRFC Journal and help to not only create a fantastic research database but to get the word out about your work!

Submissions are taken on a rolling basis all year long!

<http://journalsrc.org/about>

for more information!

Article of the Month:

Curious to know how volunteering at SRFCs impacts medical students' attitudes towards serving the under-served in primary care?

[This article explores just that!](#)
